

NOTICE REGARDING PRIVACY OF CUSTOMER INFORMATION

Chapter 182 of the Texas Utilities Code as amended in 2021 by House Bill 872 provides that a government-operated utility such as the District may not disclose personal information in a customer's account, or any information related to the volume of units of utility usage or amounts billed or collected for such utility usage, unless the customer elects to allow such information to be disclosed.

Personal information items include address, telephone number, and social security.

Click on the QR code and complete the form to allow disclosure of personal information.
